

Lee and his wife Mary, son Lee, and daughter Jill moved to Easton from Bethel, Connecticut in 1994. They are the proud grandparents of three.

Lee's career includes 20 years as territory manager in industrial chemical sales and 17 years as facility engineer for a 14-acre, 156-unit condo with an attached nursing home. His many skills include designing and making boat canvas covers, landscaping, and fixing just about anything.

Lee holds a BS degree in Business and is an avid reader of non-fiction historical works.

Spare time may include fishing, hunting and being with family.
